Dear Residents of the Town of Deseronto,

After a significant amount of inquiries and concerns have been heard by our staff and council members in the wake of recent protests and blockades, Council feel it is prudent that we make available all contact information that we have to allow you to address your concerns to other levels of authority as well. It has become obvious that residents would like to contact local members of government and involved parties for clarification surrounding their concerns. Please rest assured we as Council have taken note and continue to relay concerns on to the appropriate parties and will continue to do so until which time we get a favourable response.
