Local Charter Services

Deseronto Transit offers local charter services for all types of events. Our services are perfect and affordable for smaller scale events such as sporting events, winery tours in the County, group bus rentals to the Casino or the Sandbanks; really, for any event imaginable. With a full bus (16 passenger), the cost per person is very economical and can be as low as \$6.00 per person.

Agencies and businesses use our shuttle services for trips to job fairs, employment training workshops and/or celebration events for employees.

Public Schools have used our services for small field trips, when a large vehicle is not needed. We are licensed to provide shuttle services for elementary and high school functions. Our driver has had 30 years experience in transporting school age children.

Our services are frequently used as a shuttle service between local hotels and wedding receptions. With our services no one needs to volunteer to be the designated driver. All guests can enjoy reception festivities without the worry of drinking and driving. Our shuttle services will allow for worry free transportation for your guests on your special day!
